Michelle Sager – Chair, Thinking Day, Camporee

Come to the GSWO Roundtable meeting March 27th – discussion for next year, feedback for this year, planning, etc. Position specific conversations, I think.

Thinking Day – passed out 160 bookmark passports. My girls counted the donations, we collected 86 books along with enough school supplies to stuff that huge backpack someone donated! We will bring it to Cornerstone to present on Girl Scout Sunday. We collected a total of \$395.14 so far. As soon as all of the bills are paid, I can let you all know how much went to Family Partnership. Here is the link to the Shutterfly site where Thinking Day Photos from the past 3 years are located:

Camporee – Committee is forming, thanks for answering survey. Putting together our paperwork to reserve Whip Poor Will. Dates are Sept 19-21 or 26-28. Still looking for help on the committee, we won't meet until we get our date/campground confirmation after April 1.

Rachel – Mother/Daughter Events

3 thoughts for the upcoming year's mother/daughter events: Rachel would be willing to lead but need the service unit to get behind. Angela agreed to help with Fall kick-off and Wendy G. agreed to help with JGL birthday bash.

1) Leader/Daughter event (fall)- Mathew 25 service event kick off. Plan a pizza dinner & service activity for leaders and daughters to kick off the service unit wide project commitment to Mathew 25 (could we do at Cornerstone?). This will provide the sneak peak information and connection for leaders to educate and engage their troops in upcoming work at Mathew 25. Leaders & daughters will pay \$5 to attend to include dinner and a girl patch. We will plan 4 service unit days at M25 where leaders can sign their troops up to attend. We can discuss a patch for participating. This would be great to get some S/A help to coordinate.

2) JGL birthday bash- do we want a 2nd JGL birthday bash in 2014? This year we would not stress mother-daughter and tickets are only required for skaters. Looking at 10/30- and would be willing to coordinate. We could use square to accept online

payments to sell tickets vs registration at door to facilitate entering event. Profits could be used for Family Partnership. Will need a few helpers to plan and work event.

3) Mother Daughter spring event- We would need to get all the people in our service unit that sell pamper chef, thirty one, jewelry, small business, etcetera to donate things. Along with a team to collect donations from local businesses. GS policy is no raffles, but we could do a silent auction of baskets.

There was discussion about a spring event versus the Valentine's card making. Want to make sure we balance activities throughout the spring especially with cookie booths and other activities.

Stacy Klare – Father/Daughter Dance

Accepting registrations through March 22.
